

Virtual Parent Summit

Virtual Parent Summit will be held on Saturday, Jan. 30th from 9 am-12 pm. It is an exciting way for parents and school community members to break through the computer and connect. This is the first-ever parent summit that is being hosted by our district and Rialto Unified School District. It will include guest speakers, informative breakout sessions, community resources, resources to assist parents in navigating the current digital environment, an expo of various booths to visit, and opportunity draws.
